

CADA 360 Drive HR

An all-in-one solution for dealership HR management and communication.

You've been compromising long enough. It's time to go fully digital and eliminate multiple disconnected systems or add-on components within your HR Department. Streamline your Recruitment, Schedules & Vacations, Payroll Integration, Health & Safety and Staff Engagement with an all-in-one solution. **CADA 360 Drive HR** is the answer.

YOU CAN INCREASE PROFITABILITY TODAY BY:

- Eliminating outdated technology
- Investing in staff through soft skills courses and ongoing training
- Creating culture and employee engagement
- Reducing risk with a complete safety solution for activities, workflows, and compliance

It all comes back to you...

It's more than a tag line, it's our guarantee to dealers. Participation in CADA 360 features helps provide financial support to CADA for dealers' advocacy initiatives. The more dealers who participate in CADA 360 programs, the greater the level of funding available for CADA advocacy.
